We help our **2350+ followers** discover yummy eateries perfect for dessert date nights, brunch with the girls, and birthday dinners with their friends.

We'd love to feature more locally owned small business with a **photo post, Instagram story and giveaway**. All you need to do is save us a sample of your most delicious menu item for us to try and photograph, and provide a small gift-card(\$10-20) or other item for a giveaway.

We'll take care of the rest to help your delicious eats get discovered by our food-loving followers!
